The Fee Address Indication Form was filed September 14, 2009 pursuant to Rule 363, which states that the fee address change will not effect the correspondence address. The Patent Office is requested to correct the error in the correspondence address to again indicate that the correspondence address is that address associated with Customer No. 23117. The address for purposes of payment of Maintenance Fees is the address associated with Customer No. 020016. Written Confirmation to the undersigned of the correction of the Patent Office records in this regard is requested.

REQUEST FOR CORRECTION OF CORRESPONDENCE ADDRESS

According to Rule 363(a)(2), the filing of a change in the correspondence address at the present stage (i.e., after payment of issue fee) will result in change of the correspondence address for all purposes. The undersigned request however correction of only the correspondence address and no change in the maintenance fee address of record. Filing of a Correspondence Address Indication Form (PTO/SB/121) would not produce the desired result.

Respectfully submitted,

NIXON & VANDERHYE P.C.
